Carolina Farm Credit Photo Contest

Image Submission Form (Photocopies of this form are accepted)

Who is Eligible?

Customers and employees of Carolina Farm Credit are invited to enter our 2010 Photo contest. **Please limit your entries to three photos.** We will not accept more than three photos per person.

Preferred Images

35mm slides or 4x6 photographs, preferably glossy (not satin) finish. When providing digital camera images, give a high quality print (4x6 or larger) and the digital file. This file must be 1.5 MB or larger so when enlarged it does not lose color or sharpness. Emailed submissions of digital files will be accepted with all of the required information attached. Please note that horizontal photos work better in the calendar than vertical photos, however, vertical photos will not be disqualified.

Use of home printers does not produce images of high enough quality for enlargement and reproduction. If you use your printer at home, please include the negative, CD file of the image, or email the digital file.

All images, used or unused, will become property of Carolina Farm Credit. No images will be returned. Please make duplicate copies for yourself if you desire to keep the photo.

Deadline

All entries must be received by May 31, 2010.

Identify

All photos must be identified with name and address on the back of the picture (please use a label for this information).
